*Ms. Missonellie absented on Bill Item #7494.

The members of the Board inquired to the nature of several items on the Bill List. Ms. Mele asked who Reclaim Hosting was; Ms. Smith stated they are the company who is currently hosting the Library’s website. Since, the former hosting company (Alonso Consulting/Awesome Library Services) will not be hosting library websites anymore. Also, Ms. Mele asked who Dr. Kane was; Mr. Jackson stated he was a part of the Library’s “sports week” program. The Library had over 30 people in attendance for said program. Mr. Metzler asked how many members of the Hawthorne Fire Department Band were at the Library. Mr. Jackson said there were about 20 members of the band and over 60 people in attendance.

Dr. Spirito asked about the eBooks/Kindle expenses on the Itemized Spending by Category YTD. Mr. Jackson stated that the Library has three Kindle Paperwhites and that the Library purchases popular titles to be downloaded onto the Library’s Kindles so patrons can borrow them. Mr. Metzler asked if there were a holds on them. Currently, there are no holds, but one can place a hold and there were holds in the past. Ms. Smith added that borrowing a Kindle from the Library is a good way of learning how to use it before a patron would get one for themselves.

Dr. Spirito asked why the Itemized Spending list looked different from those in the past. Ms. Puzen answered that she printed the list in its expanded format as opposed to the condensed format.

Ms. Mele asked why there were copied vouchers for Midwest Tapes, Ms. Puzen stated that if the vendor did not sign and mail back the voucher, she had to fax it to them.

A patron must have dropped off used ink cartridges in meeting room C, although the Library received a call regarding the disposal of ink cartridges and the Library stated it did not take large ink cartridges.

Ms. Smith discussed the need for payroll vouchers to be signed in the absence of the Director. She recommended that the Board Treasurer (Ms. Mele) and the Board President (Dr. Spirito) review and sign the vouchers. Dr. Spirito recommended that Ms. Puzen (Business Manager) sign the vouchers and one of the Board members could co-sign, since Ms. Puzen would know whether the time sheets were correct or not.

The main elevator was repaired on 5/12. The Otis Elevator repair person stated that the issue was a bad sonic connector. It has been running without incident ever since.

On 5/23 Ms. Smith met with Nancy Dalzell (Design Director) of Creative Library Concepts to review how the Foyer of the Library can be transformed into a more usable and aesthetic space. Ms. Smith is still waiting for the draft of the plans.

TECHNOLOGY

Richard A. Spirito, Jr., Committee Chairperson

Ms. Smith has received the quote to move the Library’s equipment from the BCCLS cabinet from NRESC. However, she still have yet to receive the quote for upgrading staff PCs, software, scanners, and other technical equipment from NRESC.

There is an issue with one of the wifi access points in the Children’s room. A new one is being sent to us and NRESC will install it.

The Library website has been migrated to Reclaim Hosting.

POLICY

Vicki Arians, Committee Chairperson

Ms. Smith asked the Board if they wanted her to place on the July or August agenda the discussion regarding the proposed BCCLS’s billing structure and reciprocity funding. Since, it will be voted on by the System Council on September 14th. Dr. Spirito stated which month she thought best. Ms. Smith will place it on the July agenda. Dr. Spirito followed with the request for a brief overview of the proposed billing scheme.

Ms. Smith discussed how the proposed billing scheme would change how libraries were charged by BCCLS for BCCLS services, by having it linked to a host of different factors (library budget, population, collection, circulation, etc) rather than a flat rate per Polaris share (our ILS). Since, in the near future, Polaris will move to a web-based model. This would be for the BCCLS 2018 budget.

The Library currently has 7 PCs that has Polaris on them. The Library pays \$3000 a share, for a total of \$21,000 per year. Ms. Missonellie asked if we could function with fewer shares. The Library could not function with less.

Ms. Smith is on the Billing Task Force which constructed this model and will get the Board electronic copies before the next Board meeting.

The issue regarding reciprocity funding was also discussed. Currently, the libraries who lend the most within BCCLS are rewarded with a stipend bi-annually. The recommendation is to have these funds come from the Bergen County Freeholders annual contribution to BCCLS, instead of being a part of each library BCCLS's bill.
