

HAWTHORNE COMMUNITY LIBRARY FOUNDATION

The Hawthorne Community Library Foundation (HCLF) was incorporated on July 15, 1995. The purpose of the corporation is to operate exclusively for charitable, scientific and educational purposes to fund demonstrated needs of the Louis Bay 2nd Library & Community Center.

There are many ways to get involved in the HCLF. Please consider joining the Pillar Society or purchasing a Brick for the Library. The funds generated will enable The Foundation to support enhancement of Library facilities as identified in a Community developed Strategic Plan for the future.
